

Fund Your Own

**BAILOUT**

If you don't like giving large sums of money to banks and mortgage companies to finance your cars, homes, boats, capital expenditures for business needs or anything else you need to finance, then you are going to really like this alternative. The rebirth of **Privatized Banking** is underway. You can take advantage of the years of experience that these three authors in these two books are offering you.

Go to <https://shop.financialcurvesinc.com> and look for both of these books among the other fine books.
